Use of NAVORD Form 1577

REF : Your informal memorandum to Area Records Officer,
Office of the Comptroller

1. The referenced memorandum requested concurrence of this Office concerning the suggestion that the NAVORD form be provided to Agency employees for their use beginning with calendar year 1955 in maintaining a personal leave record. For your information, this Office has been collaborating with the Management Improvement Staff in experimenting with several alternative methods for maintaining official leave records and it is contemplated that some decision will be made in the near future as to the procedure to be adopted. Each of the methods under study contemplates that current information would be available to employees throughout the year as to their leave balances, thus obviating the necessity for each employee to maintain a personal leave record.

2. In the event the present leave record procedures are continued, however, consideration will be given to providing individual employees with a simplified form on which they can maintain a record of leave taken and leave balances.

SUBJECT: Use of NAVORD Form 1677 in Lieu of SF-1137, Leave Record

In reference to your note concerning the above, we would like to suggest that this matter be referred to the Comptroller since his Office is the group primarily interested in maintenance of leave records for Agency employees. The NAVORD form, however, does appear to be the form most easily interpreted from an employee's viewpoint.

It is also suggested that your Staff refer to Form 60-141, Leave Schedule, used by supervisors in CCD. The latter form is not an individual employee record but reflects certain design characteristics similar to the NAVORD form.

Remarks: The form appears suitable for use by the individual, but would not be desirable as a summary record in lieu of the currently used SF-1137.

[Signature] said workload at end of year would not allow for furnishing leave balance form.

Sept 1954 STAT
[redacted] TAs, said his office
did not concur

1. NAVORD 1877 could not be used as official leave record card in lieu of SF 1137
2. Comptroller's office could not ~~use~~ furnish leave balances at end of year due to work load at that time.
3. The use of NAVORD form 1877 would be expensive for the percentage of ~~employees~~ people that would maintain a personal leave record. It would require the stocking of an additional form.
